

Customer Report

ENOD SA, Argentina

ENOD SA, a company of the CLADD GROUP, is one of the largest yarn producers in Argentina. In their facilities located in La Rioja, we installed recently a completely automatic WELKER Yarn Conditioning System, composed by:

- WELKER PACKTRACK Pallet transport system
- WELKER TURBOCOOLER
- WELKER CONDIBOX TUNNEL **BLUE LINE** conditioning system
- Automatic wrapping machine
- Automatic weighing and ticket printing system

The CONDIBOX TUNNEL **BLUE LINE** is equipped with the BLUE LINE Energy Saving system with new CASCADE- ECOSYSTEM.

The new plant will achieve **up to 3% moisture gain** with the TURBOCOOLER installation.
